OPINIONS

Thanks for coverage

As news coverage continues to change, the Milwaukee Journal Sentinel wisely has focused on the first word of its name: Milwaukee. It is the publication with the broadest and deepest coverage of our city, namely, general news, business news, sports and arts and entertainment.

I would like to thank the publisher and editors who continue coverage of the arts. Jim Higgins, Mike Fischer, Piet Levy and Elaine Schmidt regularly tell us what's happening in the arts, mainstream and sometimes independent producers more far afield. They are aided by writers Chris Foran, Sarah Hauer, Rafael Francisco Salas and others.

I'm sure the senior editors and front-line writers wish that they could do more. So do we, the readers. But the articles and reviews from these critics are first-rate, knowledgeable and passionate. This journalism is important to me and I'm sure to many others in Milwaukee. Thanks to all who make it happen.
